

The Central Massachusetts Business Environmental Network (CMBEN)

*in partnership with the
Worcester Regional Chamber of Commerce*

Present

DOT/Hazardous Material Transportation

Wednesday September 13, 2006

9:00 – 10:30 A.M.

Allegro MicroSystems, Inc.

115 Northeast Cutoff

Worcester, MA

Anthony Murray from the U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, Hazardous Materials Safety Assistance Team – Eastern Region will speak to our group on September 13. His presentation will include topics such as DOT Security Plans, shipping papers, training resources, and use of the Emergency Response Guidebook. This should be a very informative presentation, and we appreciate Anthony making the trip all the way from Trenton New Jersey to speak to us! This is your chance to ask questions or discuss your personal situation in a small group and comfortable atmosphere.

The Central Massachusetts Business Environmental Network (CMBEN), organized in 1997, consists of manufacturers in the Central Massachusetts area. The purpose of this network is to address environmental, health, and safety issues as well as to discuss individual issues and methods to effectively satisfy compliance requirements in a non-regulatory format. CMBEN is always seeking new members.

The Central Massachusetts Business Environmental Network has representation from some of the region's largest businesses with years of experience in EHS compliance. Take advantage of this know-how by attending this and other informative sessions, including:

Tuesday, December 12, 2006 – NPDES/Storm Water Permitting (at WRCC)

Tuesday, February 12, 2007 – NFPA 70E, Electrical Safety and Arc Flash Protection (at Abbott)

Tuesday, May 8, 2007 – MassDEP's Emergency Response Program (at WRCC)

If you would like to join CMBEN, contact Mary Hubbard at the Worcester Regional Chamber of Commerce (508.753.2924, mhubbard@worcesterchamber.org) or any of the CMBEN chairpersons:

Donald Alger	(508) 854-5560, dalger@allegromicro.com
Brian Postale	(508) 839-8191, bpostale@wyman.com
Marina Gayl	(617) 626-1077, marina.gayl@state.ma.us
Terry Cummings	(508) 752-2884, tcummings@tycoelectronics.com
Daniel Noberini	(508) 849-2531, daniel.noberini@abbott.com
Stephen A. Sakakeeny	(978) 688-7804, ssakakeeny@sakenvironmental.com

Directions to Allegro Microsystems, Inc.

FROM ROUTE 290 EAST:

Take exit 21. Take left at end of ramp onto Plantation Street and pass under 290. Continue through the first set of lights (Lincoln St) and the second set of lights (Boylston St/Route 70) onto Northeast Cutoff. Allegro is approximately ½ mile on left.

FROM ROUTE 290 WEST:

Take exit 22. Take right at end of ramp onto Main Street (Shrewsbury). Continue through first set of lights (Holden Street) to second set of lights. Take right onto Plantation Street, and follow to next set of lights (Boylston St/Route 70) onto Northeast Cutoff. Allegro is approximately ½ mile on left.

Parking:

Visitor parking is on the left as you enter the driveway. Additional parking is available in adjacent parking lots.

Entering the Building:

Enter the building through the reception area in the front of the building.
